ROBERTSON TO BE GOVERNOR

Gov. Donaghey Tells Him He May Leave
State—He Promises to Be Good.

Senator James Robertson of Mar-
ianna, president pro tem of the
Senate, and who would be acting
governor of Arkansas during the
absence of Governor Donaghey
from the state, was in the city
yesterday and during the afternoon
held a brief conference with the
governor. During the conference
the governor intimated to Senator
Robertson that he might be absent
from the state soon for a short time
and that Mr. Robertson might be
called upon to exercise the func-
tions of the governor's office dur-
ing his absence.

Senator Robertson assured the
governor that if he were called up-
on to assume the duties of the of-
fice, the governor could rest assur-
ed that there would be no call is-
sued for an extra session of the
legislature nor would he attempt
to change in any way the policy of
the administration. "All I want
you to do," said Governor Dona-
ghey, "is to enforce the laws. But
I am not going to leave town
until I get the work started on the
new state capitol. When I do
this, I shall probably leave the
state for a short time and will then
call on you to be governor for a
while."—Gazette.
